The term document includes any written or recorded transmission, film or tape, or copy thereof, within the possession, custody, or control of Plaintiffs or their agents.

(3) Identify (With Respect to Person or Entities). When referring to a person, "to identify" means to give, to the extent known, the person's full name, present or last known address, and

(5) Parties. The terms "Plaintiff" and "Defendant" as well as a party's full or abbreviated name or pronoun referring to a party mean the party and, where applicable, its officers, directors, employees, partners, corporate parent, subsidiaries or affiliates. This definition is not intended to impose a discovery obligation on any person who is not a party to the litigation.

(6) Person. The term "person" is defined as any natural person or business, legal or governmental entity or association.

(7) Concerning. The term "concerning" means relating to, referring to, describing, evidencing or constituting.

The information must be sufficiently detailed to permit decision on the claim and must be verified by affidavit by a person or person having knowledge of the facts asserted.

(3) When a document contains both privileged and unprivileged material, the unprivileged material must be disclosed to the fullest extent possible without thereby disclosing the privileged material. If a privilege is asserted with regard to
